### Create An Impression

Create An Impression pride themselves on making remarkable solid silver jewellery incorporating the fingerprint of your baby, which is sure to become a family heirloom! They create very chunky keepsake charms, capturing the fingerprint of your precious little one, which is the perfect way to remember this period of time forever. Create An Impression offer a unique design service, free of charge, to ensure clients have jewellery they are delighted with, and they specialize in designs for families with more than one child. This service is particularly important to Create An Impression owner, Elizabeth, as she is mother to five, including toddler twins, and is accustomed to doing things in two's or more! They are not a franchise and every piece is painstakingly made in their Surrey studio, which is based approximately 4 miles from Dorking.

### Pookie and Peach

Pookie and Peach is a collection of toys, clothes, art and essentials for young children and babies. Every product has been hand selected because it is quirky, beautifully designed but also because it has been tried and tested and found to be completely practical. New products and ideas are added every month, so customers can come back to visit for inspiration. Plus for customers who have never bought a present for a child before, they can take a look at the Oracle section of the site and be guided towards the best choice to make for their favourite uncle, auntie or godparent in no time. We love the Pookie And Peach Book Plates coming in a pack of nine, each beautifully illustrated with fun, quirky phrases that will suit every child's favourite books. Children love taking ownership of their 'things' and by selecting the right plate for their book they will take pride in seeing their name every time they open their book!
